Regional Bank

## SERVICES

- ◆ Managed Email Security
- ◆ Managed Microsoft Office 365 (advanced security services included MFA/SSO/MDM)
- ◆ Migration project to move from on-premise Exchange to Microsoft Office 365

## CHALLENGE

A major regional bank utilized outsourced technology and looking for a proven partner to migrate operations from on-premise Exchange to Microsoft O365 with a key focus on security and experience. The bank had a large IT team, yet it lacked internal expertise in migrating or configuring IT and collaboration platforms.

## SOLUTION

The bank chose Thrive because it wanted a partner that had worked in regulated industries before with a proven track record. The Thrive team of experts worked with the bank's concerns and requests to map out a NextGen tech strategy. Thrive migrated the bank from an on-premise Exchange to its Managed Microsoft Office 365 solution for better communication and collaboration, and enhanced productivity and cybersecurity.

## RESULT

As a result of Thrive's timely and strategic IT solutions, the bank is continuing to work with Thrive for its Managed Security Incident and Event Management (SIEMaaS) solution and other services to further enhance its IT infrastructure.
