

Revolutionize Your Communications: Microsoft Teams Phone Service

Let Thrive help transform your business communication with Microsoft Teams Phone Service, integrating seamlessly with the Teams platform for a comprehensive calling, conferencing, and collaboration solution.

Unify Your Communication

Leverage the power of Microsoft Teams to bring together voice calling, video meetings, and instant messaging in a single application. Connect with team members and clients, anywhere, anytime, on any device.

- **All-in-One Communication Platform:** Voice, video, chat, and collaboration tools integrated into your daily workflow.
- **Seamless Integration:** Works with Office 365 applications, enhancing productivity and streamlining operations.
- **Flexible Calling Plan Options:** Teams Phone Calling plans available through Microsoft, Momentum Telecom, and 8x8 Telecom.
 - Additional features including SMS text, fax, and voice recording are available through Momentum and 8x8 calling plans.

Effortless Installation & Deployment

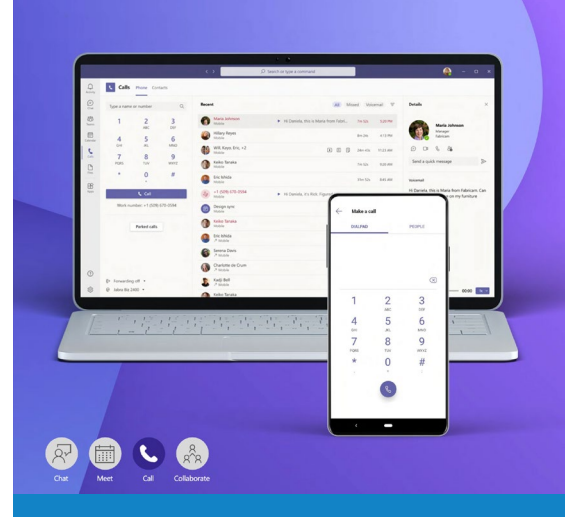

- **End-to-end implementation Service:** As a Microsoft Cloud Service Provider, Thrive will procure and provide all applicable Microsoft subscriptions, and design and implement Teams Phone calling plans and features based on your specific business requirements. Advanced features include call queues, auto attendant, voicemail and call forwarding.
- **Governance Guidance:** Thrive can help you develop a Microsoft 365 governance plan to secure your unified communication platform.
- **Flexible Number Porting:** Bring your existing phone numbers with you, ensuring a seamless transition for your business.

Ongoing Management

- **24/7 Technical Support:** Round-the-clock access to Microsoft-certified experts.
- **User Training Resources:** Comprehensive guides and End-User Learning and Adoption plans available to maximize Microsoft 365 and Teams Phone capabilities.
- **Ongoing Updates:** Access to the latest features and security updates.

Optimized for Every Business

- **Scalable Solutions:** Our service grows with your business from small startups to large enterprises.
- **Global Reach, Local Presence:** Obtain local phone numbers in countries worldwide, presenting a local face to your global business.
- **Advanced Security and Compliance:** Benefit from Microsoft's industry-leading security and privacy practices.
