

# Managed Microsoft 365

## Maximize Business Productivity with Rapid Implementation and Flexibility of Microsoft 365.

Microsoft 365 connects workers anywhere, anytime and on any device - making it the premier productivity solution for your business. With simple implementation, built-in security, and flexibility to add or remove licenses, Microsoft 365 is designed to help your business get more done, work better together while safeguarding your data.

Thrive's Managed Microsoft 365 is a Cloud-based service that delivers secure, reliable, enterprise-class productivity tools with superior support. Easily set up and manage users, devices, and data so you can focus on running your business.

### Microsoft 365 - Optimal Support to Connect, Collaborate and Communicate

Thrive's team of experts can customize the Microsoft 365 solution specifically for your business infrastructure and needs. As a Microsoft Cloud Services Provider (CSP), Thrive's Managed Microsoft 365 solution, optimizes your users and environment with:

- Simple migration and administration
- Unmatched technical and administrative support with experts available 24x7
- Enterprise-class email hosting
- The latest versions of desktop productivity & collaboration applications
- File storage and collaboration
- Optimized licensing models

Thrive's wide range of helpdesk solutions help organizations gain confidence in their IT infrastructure. Our team of experts provide best-in-class end-user technical support for Microsoft 365 for your business. We also train your teams on design, architecture, migration, support and more.

### Microsoft 365 At-a-Glance

- Sign in to use your favorite productivity apps from any device - Outlook, OneDrive, Word, Excel, PowerPoint, OneNote, SharePoint, Microsoft Teams, Yammer and more
- Automatic updates with your Microsoft 365 subscription - both desktop and online
- On your desktop, on your tablet, and on your phone wherever you are
- 24/7 Helpdesk Services
